28 July, 2016

Dear Valued Members

Thank you to our members who attended our first function of the year, an authentic Sardinian lunch at the newly established Rustico Sardo restaurant. It was a great success despite the weather. The food was amazing and it was so great to see new and familiar faces.

On this day we also named Mr Pietro Schirru as the 2015 honorary member. Pietro was awarded for his achievements over the past 30 years supporting the Associazione Culturale di Sydney and for the many years as Consultore for Australia. Congratulations Pietro. On behalf of the Committee and its members we thank you.

We have posted all the photos taken on this day on our official website [www.sardisydney.com](http://www.sardisydney.com)

The Committee acknowledges that not all members/ lapsed members and their guests could attend due to capacity and weather restrictions. So we will look to hold another luncheon later this year and will inform you all closer to the date.

**Membership renewal** If you haven't already renewed your membership please don't forget. This will help us keep you better informed of any upcoming events.
